Dear Members and Friends,

The Society of the Founders is again asking for your support in the form of a donation to cover the costs of regular operations. Your support last year was deeply appreciated; it enabled us to meet all of our expenses at the beginning of the year.

We are preparing for a new season at the Leffingwell House Museum . Enclosed are some of the highlights we hope you will be joining us for. Considering our economic times, meeting our expenses is no small feat. We have met them because so many of you have given what you can afford and we have stretched every dollar as far as possible. We continue to benefit from the efforts of our volunteer staff in every aspect of our operation.

This year we are partnering with the Norwich Tourism committee to draw more visitors to the Leffingwell House Museum. This will be just one of many steps we are taking to increase visitors and visitor participation but their entrance fees do not cover the cost of operations. The Society succeeded in developing programs with the local schools last year and we expect to do more this year but we need your help and your donations and your continuing support to make it happen .

Please consider making a donation to support our program for the coming year and also take this opportunity to renew your membership for the 2010 – 2011 year.

We look forward to the beginning of the 2010 Season with activities scheduled beginning in April and continuing through Summer Saturdays with a soft closing at the end of October. There will be a full schedule in the upcoming Annual Report.

With gratitude,

Austin J Deming, President

Beryl Fishbone, Program Coordinator
